**Acknowledgement**

I/we hereby acknowledge that we have read the applicable provisions of the Declaration of Covenants, Conditions and Restrictions relating to the changes/additions in this application.

I/we further acknowledge that in approving or denying an application submitted to the Architectural Control Committee, Country Woods HOA does not make any representation that the approved plan meets with the requirements of the City of Dunedin, or any other governmental agency or entity. There may be additional restrictions applicable to this property that may be found in the public records of Pinellas County, along with permits possible being required by the City of Dunedin, water management districts, state agencies or federal agencies. By submitting this application, I/we hold harmless Country Woods HOA and its directors should any improvements or changes not meet such standards or requirements as stated herein.

It is the Sole Responsibility of the Homeowner to submit the completed application. Failure to do so could result in rejection of the work done prior to approval by the Architectural Control Committee. Such rejection could possibly result in the Homeowner having to change or remove the work at the Homeowner’s Expense and to the satisfaction of the Architectural Control Committee.
